

Number of Offerings and Average First-day Returns on Chinese IPOs, 1990-2021
 (When price limits are binding, returns are measured until the first close that is unconstrained)

Sources: Jia, Ritter, Xie, and Zhang (2019), Yiming Qian of the U of Connecticut, Jimmy Jin of Hong Kong Poly, Dealogic, and Chunxin Jia of Peking University. There were no IPOs in 2013, due to a CSRC moratorium.
